**R**ed Diamond overalls  
were made by the  
Red Diamond Cloth-  
ing Company of St.  
Louis. The Balough catalog  
identifies the user of pattern  
R46 (RDC/Co) as Red Diamond  
Overalls. The post card above,  
from the collection of Chuck  
Spaulding (#2355), provides the  
correct company name and lo-  
cation.
